

21st Century Education Foundation Grant Program

Overview

The 21st CEF Grant Program provides financial support for AACPS educators, schools, and offices to fund projects, programs, or initiatives that support student learning. The Foundation solicits applications for classroom support, program enhancements, professional development, and/or special events.

How to Apply

Describe your project using the application form below. Scan completed applications (including the signature of the Authorizing Official) and upload applications to http://aacpschools.org/development/21stcef_grants/.

Recipients of the 21st Century Education Foundation Grants will be expected to share details about how the funding impacted their classroom, school, or program and are encouraged to share photos, data, and/or testimonials.
