

“At the end of the day, the most overwhelming key to a child’s success is the positive involvement of their parents.” – Jane D. Hull

April 2018

April is National Volunteer Month!
...and April 15th -21st is National Volunteer Week!

Three Ideas to Honor Volunteers

1. Send small tokens or gifts to thank volunteers at your local school or community organization.
2. Provide inspiration or incentive for your children, friends, or even colleagues to volunteer with schools, non-profits, or specific causes.
3. Become a volunteer yourself (or choose to volunteer in a new way or with a new organization)!

AACPS Opportunity Spotlight: Student Internships!

An opportunity for students to apply knowledge from their academic studies in a workplace setting

Did You Know?

- ✓ Internships give students the opportunity to “test drive” a career and build problem-solving and networking skills (CNN, 2010).
- ✓ Employers are more likely to hire applicants with internship experience (CHE, 2012). Colleges notice them, too!
- ✓ AACPS had over 900 students complete an internship last year!
