STUDENT ACCIDENT AND INJURY REPORTING

A. PURPOSE

To ensure student accidents that result in an injury are properly documented and that any appropriate preventative measures are initiated to prevent such accidents from occurring again.

B. ISSUE

The Board of Education of Anne Arundel County is committed to establishing and maintaining a safe and healthy environment for our students. To protect the interests of students, staff, and the Board, and to identify appropriate accident prevention measures, any student accident that results in an injury shall be documented and reported.

C. POSITION

All student accidents that result in an injury which require, or may require, curative medical care shall be reported in a structured manner to capture necessary information in an efficient and informative manner. Accident causes shall be identified and appropriate actions implemented to prevent such accidents from occurring again.

D. IMPLEMENTATION

The Superintendent is authorized to develop regulations to implement this policy.
