

## Here to get you there.

Our founders are from a family of educators. They understood the difficulty of finding an affordable program that allows you to work and learn simultaneously. And that's why tuition and flexibility are at the forefront of our programs. At American College of Education, you'll learn on your schedule, and at a price you can afford.

## Not ready to take the leap?

We offer single classes, or you can work towards a stackable credential, like a digital badge in a specific area of study! Our stackable credentials are in specific areas to help you get the competitive advantage you need. But unlike other programs, our single courses and stackable credentials can be applied to future degrees or certifications.

American College of Education is accredited by the Higher Learning Commission, hlcommission.org. In addition, Bachelor of Science in Nursing (BSN) and Master of Science in Nursing (MSN) programs are accredited by the Commission on Collegiate Nursing Education, cneaccreditation.org. RN to BSN applicants and students not eligible for Partnership Grant. Details at ace.edu/programs/nursing-programs. All programs may not be available in your state. Refer to the College Catalog for availability. | \*Master's cost statement does not apply to RN to MSN, BSN to MSN, MAT, EBA or MBA. Details at ace.edu/tuition-and-admissions/tuition-details. | The requirements for professional licensure or certification, salary increase and related employment benefits vary by state and district. Prospective students are strongly advised to confirm eligible benefit (s) for program completion with their state licensure agency and school district prior to enrolling.
